This movie is available in HD Print, so you can click the Download button below to download Taal (1999) HD Print. Full movie online. Taal (1999) is a gripping adventure film with elements of horror and drama. This film was directed by Neil Marshall. The film was filmed on the island of Hainan in China, in the vicinity of the city of Sanya. Director Neil Marshall is a big fan of Chinese films, and even in his youth he had a hobby of making such films with his friends. At a time when his friends were doing it professionally, Neil made pictures himself. Ծ'
