It's a simple to use file sharing website, you can search for your desired files and then download them. all you have to do is choose a file sharing website and then upload your file to them. Birding is one of my favorite activities. I usually don't try to see a lot of birds in a single day, but I enjoy them so much, I can find hours and hours to do so if I have the opportunity. My family and I often have a weekend get away, with a

certain goal in mind. We go to the lake, we hike, we fish, we visit a local park or nature center, and whatever else there is to do. In some cases we find our way to a local hotel to stay overnight. It's a fun time, but sometimes on the road, the goal is to see and experience as many birds as possible. I'm pretty good at remembering which bird I saw. It's not like I see a lot of them. That said, there are always a few species of birds that I'm eager to see, every time I go on a trip I've prepared for. Such is the case on our trip to See Valley Bird Sanctuary State Park. Seeing the more obvious birds like warblers is certainly enjoyable, but seeing these little bastards can be a lot of fun, too! I noticed some signs at the park, advising people that you could possibly see a nest, and that they would put food out to keep birds feeding. Birds of the genus we saw on this trip are generally more daring than other species. They know they can be seen, and

they seek out food sources for themselves and their young. I was pleased that the park had put out a food source for the little Common Yellowthroats that we were scheduled to see, and there were even signs to the tree where the nests would likely be. Not long after we arrived, we took a stroll towards the

Kim Gang-nam (singer) Kim Gang-nam (; born August 6, 1986), better known mononymously as Gang-nam (), is a South Korean singer-songwriter and multi-instrumentalist. She is one of the members of the South Korean girl group Girls' Generation and has appeared on Girls' Generation-Girl's Day, Girls' Generation-Oh!GG and Girls' Generation-I Got a Boy. She is a co-founder of the entertainer agency, FantaMillion Music.

Career 2007–2012: Career beginnings

Gang-nam was the youngest member of the South Korean girl group Girls' Generation, along with fellow members Taeyeon and Yuri. Initially, she was not considered a part of the main vocal line, but was chosen as the backup singer. In 2010, she released her first independent track "Baby" produced by Toy-M. It peaked at number 14 on the Gaon Digital Chart. The song was renamed "Baby (Extended Remix)".

2011–2012: Teaser

---

Girl, I Am a Teaser In September 2011, it was announced that Gang-nam would be the main vocal of a new girl group called Teaser Girl, featuring members Hyoyeon and Sunny, along with Mamamoo's Momo, who replaced member Hwangbo and Mando. "Boom Boom Boom Boom" was released as their debut single on November 1, 2011. Gang-nam later released a digital single titled "I Am a Teaser" on October 26, 2012.

2013–present: Solo career In September 2013, Gang-nam along with Taeyeon, Hyoyeon and Yuri, made a comeback with "Break Up", a song written by Taeyeon, with lyrics composed by the latter. At the end of 2013, Gang-nam released a digital single, titled "Cookie Cake". On March 31, 2015, Gang-nam released a digital single, "Next Me", which was later included on her second extended play, Love. The extended play was released by Universal Music and FantaMillion Music, and was re-
